

Endeavor™ 120V Cove Light

 **PRECAUTION:** Please read all instructions carefully before installation.

The Endeavor™ 120V Cove Light delivers spot-free, linkable illumination tailored for home coves, office hallways, and hospitality spaces with floating or high ceilings. An easy-to-use, built-in side switch allows you to choose between three shades of white light, depending on your needs, while its adjustable brackets provide complete control over the fixture's light angle.

Note: Requires a power cable, sold separately (only needed for the first fixture in a run).
